

The Tri-State Better Business Bureau is proud to be linked with the City of Mount Vernon, Indiana. By clicking the partnership logo you will be able to check out local or national businesses and charities for their reliability.

Consumers are offered information, advice and help with many of the concerns that face them today such as business reliability, dispute resolutions, ID theft, mail and phone scams.

The BBB seal is one of the most widely recognizable logos in the world and our accredited business's must meet and maintain our high standards of trust, integrity and transparency. When a business displays our seal, consumers know this business's can be trusted.

Thanks again to the City of Mount Vernon for its leadership and vision to see the need to keep its citizens protected and informed on matters of trust in today's marketplace.
